

## TOTAL COATING & CONSTRUCTION SOLUTIONS

Date: 20 February 2024

Sir/Madam,

### **SUBJECT: INVITATION TO VISIT NIPPON PAINT TOTAL COATING & CONSTRUCTION SOLUTIONS (TCCS) EXHIBITION**

1. With due respect, I am a representative from Nippon Paint (M) Sdn Bhd and would like to request your consent to conduct a presentation session as stated above.
2. In 2022, Nippon Paint has embarked from being a Total Coating Solutions provider to now a **Total Coating & Construction Solutions (TCCS)** Provider. Nippon Paint is the only company in the region that offers **Total Coating & Construction Solutions (TCCS)** for the building and construction industry - a total compatible system for coating and construction solutions comprise of plaster/render, skim coat, tile adhesive, waterproofing, flooring, protective and architectural coatings that can deliver a total compatible system solution to every quality and beautiful finishing from bare to finish.
3. With a strong background in research and constant innovation, **Total Coating & Construction Solutions (TCCS)** offers innovative **Refurbishment Solutions** in repainting, re-waterproofing, and re-flooring all under one maintenance program. All industry pain points such as peeling, water leakage, hollowness, corrosion, efflorescence, powdery surface, fungus, hairline cracks can be effectively addressed.
4. Nippon Paint undertakes 5 steps to provide top-quality refurbishment services from site assessment to post-assessment and everything in between to ensure the longevity and durability of your building.
5. Through the **Total Coating & Construction Solutions' Innovative Refurbishment Solutions**, Nippon Paint is capable in providing an ease of mind one-stop solution to property managers. From bare concrete to the finishing and from floor to roof, customers will not need to deal with multiple stakeholders for any surface or finishing issues. With that, it gives them peace of mind as customers do not have to worry about the extra cost they need to incur.
6. For your information, no fee will be charged to participate in this program. All the main expenses will be fully sponsored by us. If interested, we kindly request that you fill in the date and number of participants who will attend on the registration form provided below.
