III. Proposal: To (a) approve the use of a Prefix for "Property Manager" for Members of MIPFM who are also Registered Property Managers (b) to seek the concurrence of BOVAEP for the use of the selected Prefix by Prof Sr Dr. Ting Kien Hwa

In line with other professional bodies that have prefixes eg Sr, Ar, Ir, etc for its members. Members of MIPFM refer to Ordinary Members and Fellow Members of MIPFM who are eligible to use the prefix Members who use the prefix need to be Registered Property Managers with the Board of Valuers, Appraisers, Estate Agents and Property Managers.

This prefix once approved by Members in this AGM is however subject to concurrence by the Board of Valuers, Appraisers, Estate Agents and Property Managers.

Comments from members:

- Sr Haji Adzman reminded members to be careful and to avoid the prefix being abused. He said if the proposal is passed and approved by the BOVAEP, MIPFM has to tighten the clause.

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF
MALAYSIAN INSTITUTE OF PROPERTY AND FACILITY MANAGERS**
(Registered in Malaysia)

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of MALAYSIAN INSTITUTE OF PROPERTY AND FACILITY MANAGERS ('MIPFM'), which comprise the statement of financial position as at 31st December, 2021, and the statement of comprehensive income, statement of receipts and payments for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, as set out on pages 9 to 15.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Institute as at 31st December, 2021, and of its financial performance and its cash flows for the year then ended in accordance with Malaysian Private Entities Reporting Standard and the requirements of the Societies Act, 1966 in Malaysia.

Basis of Opinion

We conducted our audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence and Other Ethical Responsibilities

We are independent of the Institute in accordance with *the By-Laws (on Professional Ethics, Conduct and Practice)* of the Malaysian Institute of Accountants ("By-Laws") and the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* ("IESBA Code"), and we have fulfilled our other ethical responsibilities in accordance with the By-Laws and the IESBA Code.

Information Other than the Financial Statements and Auditors' Report Thereon

The Committee Members of the Institute are responsible for the other information.

Our opinion on the financial statements of the Institute does not cover the other information and we do not express any form of assurance conclusion thereon.

Responsibilities of the Committee Members for the Financial Statements

The Committee Members of the Institute are responsible for the preparation of financial statements of the Institute that give a true and fair view in accordance with Malaysian Private Entities Reporting Standard and the requirements of the Societies Act, 1966 in Malaysia. The Committee Members are also responsible for such internal control as the Committee Members determine is necessary to enable the preparation of financial statements of the Institute that are free from material misstatement, whether due to fraud or error.

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF
MALAYSIAN INSTITUTE OF PROPERTY AND FACILITY MANAGERS (continued)**
(Registered in Malaysia)

Responsibilities of the Committee Members for the Financial Statements (continued)

In preparing the financial statements of the Institute, the Committee Members are responsible for assessing the Institute's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Committee Members either intend to liquidate the Institute or to cease operations, or have no realistic alternative but to do so.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements of the Institute as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with approved standards on auditing in Malaysia and International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:-

- Identify and assess the risks of material misstatement of the financial statements of the Institute, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Institute's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Committee Members.
- Conclude on the appropriateness of the Committee Members' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Institute's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements of the Institute or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Institute to cease to continue as a going concern.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF
MALAYSIAN INSTITUTE OF PROPERTY AND FACILITY MANAGERS (continued)
(Registered in Malaysia)

Auditors' Responsibilities for the Audit of the Financial Statements (continued)

- Evaluate the overall presentation, structure and content of the financial statements of the Institute, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Committee Members regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Other Matters

- (b) **Plant and equipment**
- (i) **Measurement basis**

Gain and loss on disposal of plant and equipment is determined by references to its carrying amount and is taken to the income statement in the financial year in which it was disposed.
 - (ii) **Depreciation**
Plant and equipment are depreciated on a straight line basis over their estimated useful lives. The principal annual rates used are as follows:-

	%

MALAYSIAN INSTITUTE OF PROPERTY AND FACILITY MANAGERS

(Registered in Malaysia)

NOTES TO FINANCIAL STATEMENTS - 31st December, 2021

2. SIGNIFICANT ACCOUNTING POLICIES (continued)

(c) Receivables

Receivables are stated at nominal value as reduced by the appropriate allowances for estimated irrecoverable amounts. Known bad debts are written off and allowance is made for any specific receivables considered to be doubtful of collection.

(d) Payables and Provisions

Payables are carried at cost which is the fair value of the consideration to be paid in the future for the goods and services received.

Provisions are recognised when the Institute has a present legal or constructive obligation as a result of past events, when it is probable that an outflow of resources will be required to settle the obligation, and when a reliable estimate of the amount can be made.

(f) Impairment of Assets

At each balance sheet date, the Institute reviews the carrying amounts of its assets (other than inventories and deferred tax assets), to determine whether there is any indication that those assets have suffered an impairment loss. If such indication exists, impairment is measured by comparing the carrying values of the assets with their recoverable amounts. Recoverable amount is the higher of net selling price and value in use, which is measured by reference to discounted future cash flows. Recoverable amounts are estimated for individual assets or, if it is not possible, for the cash-generating unit to which the asset belongs.

An impairment loss is charged to the income statement immediately. Reversal of impairment losses recognised in prior years is recorded when there is an indication that the impairment losses recognised for the asset no longer exist or have decreased. The reversal is recognised to the extent of the carrying amount of the asset that would have been determined (net of amortisation and depreciation) had no impairment loss been recognised. The reversal is recognised in the income statement immediately.

(g) Income Recognition

Subscription income is recognised on a receipt basis.

(h) Cash and Cash Equivalents

Cash comprises cash in hand, at bank and demand deposits. Cash equivalents are short term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to insignificant risk of changes in value.

NOTES TO FINANCIAL STATEMENTS - 31st December, 2021

3. FINANCIAL RISK MANAGEMENT POLICIES

The Institute's financial risk management policy seeks to ensure that adequate financial resources are available for the development of the Institute's businesses whilst managing its risks. The Institute operates within clearly defined guidelines that are approved by the Board of Committee and the Institute's policy is not to engage in speculative transactions.

The main areas of financial risks faced by the Institute and the policy in respect of the major areas of treasury activity are set out as follows:-

(a) Credit risk

This is the risk that a counter party is unable to pay its debts or meet its obligations.

The credit risk attributed to receivables is mitigated by the application of internal credit review procedures.

(b) Liquidity and cash flow risks

Liquidity or funding risk is the risk of the inability to meet commitments associated with financial instruments while cash flow risk is the risk of uncertainty of future cash flow amount associated with a monetary financial instrument.

As part of its overall prudent liquidity management, the Institute maintains sufficient levels of cash and cash equivalents to meet its working capital requirement.

NOTES TO FINANCIAL STATEMENTS - 31st December, 2021

11. SIGNIFICANT EVENT DURING THE FINANCIAL YEAR AND SUBSEQUENT TO THE REPORTING PERIOD

In March 2020, the World Health Organisation declared the Coronavirus (Covid-19) outbreak as a pandemic in recognition of its rapid spread across the globe.

The Malaysian Government has implemented various containment measures in order to curb the spread of Covid-19 including Movement Control Order (“MCO”), Full MCO and Enhanced MCO (or total lockdown).

In June 2021, the Malaysian Government unveiled the four-phase National Recovery Plan whereby movement control measures will be gradually eased as Malaysia moves from one phase to the next.

On 1st April 2022, the Malaysian Government announced that Malaysia will transition to the endemic stage with all restrictions on business operating hours removed.

The Company has considered the impact of Covid-19 in the application of significant judgements and estimates to determine the amounts recognised in the financial statements. Given the fluidity of the situation, the Company will continue to monitor the impact of Covid-19 and take appropriate and timely measures to minimise its impact on the company’s operations.

12. AUTHORISATION FOR ISSUE OF FINANCIAL STATEMENTS

The Institute’s financial statements were authorised for issue on **01 SEP 2022** by the Committee.
